

#### ***DETAILED ACTION***

As per 37 CFR 1.33, for a change of address after an oath or declaration has been filed by any of the inventors, the correspondence address may be changed by the parties set forth in 1.33(b) except those in 1.33(b)(2). This means only: (b)(1) patent practitioner of record appointed as per rule 1.32(b); (b)(3) an assignee as provided for under 3.71(b); or (b)(4) all of the applicants for patent unless there is an assignee of the entire interest, can change the address.

A rule 3.73(b) statement was filed 4/23/08 signed by Dean Alderucci along with a change of address signed by Dean Alderucci, asking on behalf of assignee. This statement indicates that BCG is now the assignee of the entire right and it describes a chain of title from the inventors according to recorded assignment info at reel/frame 013046/0568 and 020806/0396.

However, the assignment recorded at 013046/0568 is only signed by Joan Kirwin. No signature is found representing Andrew Gilbert for this assignment, i.e. there is no signature representing the co-inventors of both Andrew Gilbert and Glenn Kirwin. The address cannot be changed in this manner until proper assignment to assignee of the entire interest is filed. Therefore, *Ex parte* prosecution is **SUSPENDED FOR A PERIOD OF 6 MONTHS** from the date of this letter to correct the assignment. Upon expiration of the period of suspension, applicant should make an inquiry as to the status of the application.
